Fire at 8544 Timber Ridge Drive – Madison Club

There was a fire at the residence of Mr. & Mrs. Ron Baylog, 8544 Timber Ridge Drive, the evening and night of May 19, 2011. It was reported to Village staff that the Tri State Fire District was called out at around 6:00 p.m. for an electrical panel fire. The fire was extinguished and electricity was cut off to the entire house. Due to the damage, a red tag was posted by the Village indicating that the home could not be occupied. A second alarm was called in at around 1: a.m. that same night. The fire apparently had continued to burn in the wall cavities and major damage was done to the house. At the time of this writing, the house was being boarded and the property secured. The red tag remains in place and it appears possible (but as yet undetermined) that the home may have to be demolished.

Commonwealth Edison Accelerates Pole Painting Project

The Board will recall that, in 2009, Commonwealth Edison agreed to paint all of the overhead transmission line power poles over a five-year period. I am pleased to report that Com Ed has accelerated this schedule and has painted all but three of the power poles. The last three power poles will be painted by the first week of June.

Police Department Activity Report

The Police Department's Activity Report for April 2011, prepared by Police Chief John Madden, is available for review at the Village Hall.

IML Statehouse Briefing

The Illinois Municipal League's *Statehouse Briefing Report* for May 19, 2011, along with a printout of the article regarding the status of pending pension legislation, is available for review at the Village Hall.
